

Research Papers published by KVK Faculty in year 2016

Title	Authors name	Name of Journal	Link	Published in
Awareness among buffalo owners about buffalo feeding and healthcare practices.	Aulakh, G.S. and Tanwar, P.S.	International Journal of farm Sciences. 6(2): 208-213.	https://indianjournals.com/article/ijfs-6-2-031	July 2016
Weed and nitrogen management through inter-cultivation in direct seeded rice.	Singh, Suryendra , Elamathi, S., and Ghosh, Gautam	New Agriculturist, 27(1) 2015 (Accepted)	https://www.researchgate.net/publication/329154118_Weed_and_nitrogen_management_through_inter-cultivation_in_direct_seeded_rice	January 2016
Field efficacy of plant extract against tomato fruit borer, <i>Helicoverpa armigera</i> .	Matharu, K.S. and Mehta P.K.	The bioscan 2016 (Accepted)	https://www.researchgate.net/publication/327105889_FIELD_EFFICACY_OF_PLANT_EXTRACTS_AGAINST_TOMATO_FRUIT_BORER_HELICOVERPA_ARMIGERA	August 2016
Ovicidal activity of crude extracts of indigenous plants spices against <i>Plutella xylostella</i> (L.) (Lepidoptera:Plutellidae)	Matharu, K.S. and Mehta P.K.	Journal of environment and ecology 35(1A) 285-289	https://environmentandecology.com/wp-content/uploads/2025/03/MS17-1.pdf	May 2016
Bio activity of different plant extracts against eggs hatchability of <i>Helicoverpa armigera</i> (Lepidoptera:Noctuidae)	K.S. Matharu and P.K. Mehta (2016)	Journal of environment and biosciences. Vol No. 30 (2):393-396	https://www.researchgate.net/publication/327105804_BIOACTIVITY_OF_DIFFERENT_PLANT_EXTRACTS_AGAINST_EGGS_HATCHABILITY_OF_HELICOVERPA_ARMIGERA_LEPIDOPTERA_NOCTUIDAE	August 2016
